

Goals – music as a life time companion.

Simply Music has four goals – to produce students who:

Experience playing as a natural self-expression

Have the ability to play a huge repertoire covering classical, contemporary, blues, jazz and accompaniments

Have the ability to self generate. This includes developing a strong foundation in music reading and theory, as well as the ability to compose, improvise and arrange music

Have a positive, self-affirming experience with music learning.

My philosophy:

Is to teach Simply Music in a way that inspires and creates a culture of joy for music for everyone in their life. I experience joy in learning and teaching music for both myself and those I guide in their music journey.

Payment details

An invoice for the term will be sent at the beginning of term. Payment for the full term is required by the end of the second week of term, or monthly or weekly can be organised. Payment can be made by the following:

- Cash in person
- Bank deposit:

Attendance

A parent or guardian is expected to stay for the duration of the lesson with their child/ren, even online. This will ensure support, encouragement and coaching for practice at home.

I do not teach on public holidays due to family commitments and the fee will be reflective of this.

Please give 4 weeks notice if you do not intend to continue next term.

Practice

15-20 minutes practice at least 5 -6 days a week is required to progress at the appropriate speed.

Students in primary school, should have their parent or coach helping them practice. This helps with success and avoids discontent and unhappiness.

Some positive ways to find time for practice:

Find a friend to play with and encourage each other

Make a time and stick to it

Reward yourself with fun joyful playing

Tick off your playlist

Better Practice App

(For those who have completed level 1)

We will be using the Better Practice App this term to help with accountability and encourage better practice. It will be used to keep group notes and assignments and allows for messaging and contact.

I will give you a username and link at the beginning of the new year.

Materials

Every student is expected to buy the relevant Simply Music materials relating to their class projects. You will be notified which materials to purchase at the beginning of the term and as required.
